

Project & Report AI Disclosure Statement

Name of Student: Lakshya Jain **Roll Number:** BT2024044 **Task Set:** A — Temporal Record (Figures 3-7) + Preprocessing

1. Code Generation and Modification

Tool(s) Used: (fill in: e.g. GitHub Copilot, ChatGPT, Claude, or “None”)

Specific Applications: - (list what the tool was used for, if any — this covers `task_a_temporal.py`, `emdat_common.py` preprocessing, `facts.py/facts2.py`)

Prompts Used & Modification Level: (describe what you asked the AI and how much you changed the output to fit the project)

2. 3D Modeling and Assets

Tool(s) Used: Not applicable.

Specific Applications: - None

Description of AI Involvement: Not applicable.

3. Report Writing and Documentation

Tool(s) Used: (fill in, if any AI tool was used to draft/edit `DAS732_A1_Report.tex`)

Specific Applications: - (e.g. outlining, drafting explanations, proofreading — or “None”)

Description of AI Involvement: (describe)

4. Academic Integrity & Verification

Core Logic & Authorship Statement: I certify that the analysis, conclusions, and technical evaluations presented in the report reflect my own understanding of the material, and I take responsibility for the accuracy and interpretation of the figures and findings in my task set, and for the preprocessing steps described in Section 2.3 of the report.
